

Closing Remarks

Norio Okayama
ICF President
Chairman of the Board
Sumitomo Electric Industries, Ltd.
Osaka, Japan

Ladies and Gentlemen,

thank you very much for your participation.

Before I formally close the Congress, allow me to make a few remarks. I believe that the ICF Congress in Rome has been a great success, and I would like to thank everyone who has contributed: our speakers, the members of the Standing Commission, and the Secretariat. Please join me in a round of applause for them.

With the closing of the Rome Congress, my term as the President of the ICF is going to end. In the one and a half years since I assumed the Presidency, I have fulfilled my duties with the support of my colleagues in the Council and the Secretariat, and with the understanding of all the fellow members. Thank you very much.

Ladies and gentlemen, it is my great honor to tell you that my successor is Mr. Gregory Kenny of General Cable. Mr. Kenny has made outstanding contributions to the ICF, and we are very fortunate to have him as the new President. Please give him the same full support and cooperation as you have given me.

Thank you!
