Ladies and Gentlemen!

In my last act as President I would like to thank the Standing Commission for the dynamics of the speakers. I really enjoyed them. I heard a number of people asking if they could have the presentations now to take them back to their board of directors, in order to help forming the context for their business planning in 2010. That is the kind of conference we want, topics which come high-level that you can use to provoke thoughts.

We see you next year in South Africa. Thank you!
