

Business Session I Indian Perspectives

**Session Chairman
Peter Ford**

**Director Business Development
Linkz Industries, Hong Kong**

Good morning everyone.

In keeping with the format established several years ago, this morning we will have 4 persons presenting topics that are native to our host country India.

The first speaker this morning is Rohini Malkani of Citigroup. She is a Managing Director, responsible for macro-economic analysis in financial market research, based in Mumbai. She joined Citi-Investment, Research and Analysis in 2002. Prior to this she was an economist with JP Morgan. She started her banking career in the Industrial Development Bank of India in 1994, where she worked in research and project finance departments. Rohini has degrees in Economics from the London School of Economics as well as an MBA in finance from the University of Bombay. She will speak to us this morning about the current economic outlook in India. Please join me in welcoming Rohini.
